- Tuesday (14:00 pm - 17:00 pm)

Description

Knowledge for Business - KforB - is an Italian company focusing on R&D cooperation and technology transfer between Italy and China. Since June 2014, KforB is Italy Office of China Italy Business Innovation Center, managed in China by the Hi Tech International Business Incubator. Our company has a wide clients portfolio of High-tech companies, Research centers, Universities, Technology transfer centers, innovative Start-ups. A network of experts works with KforB for scouting actions and for technology checks: we have a strong know-how in the access to national and international finance, as well as in the implementation of investment programs in Italy (feasibility studies, marketing plans, technical and administrative guidance).
