A professional commercial and support company based in FRANCE, which services are directed to small, medium and large companies of all industrial branches in Asia, which continuously demand products from the European market.

Many particular situations where companies from Asia have the need to approach a business partner in Europe:

qthe great geographic distance,
qthe language barrier,

But mainly the deficiency of an adequate business partner who acts in "your" interest, did put an end to all efforts in many cases

Our organization is available for the whole industry in Asia which, because of their commercial activities in their country, do need eventually or regularly to contact a business partner in Europe at any time or opportunity in English or French language.

The services of HOLD CD are divided in four main areas, which are very closely related with each other :

qTechnical support

qCommercial support

qQuotations

qLogistics and deliveries
