## Research & development

### PRODUCTION AND SALES OF COMERCIAL VEHICLES

Tam Durabus company is majority-owned by the Chinese, but our chain of suppliers is mostly woven around the factory from local suppliers as well as from western-European suppliers. We are offering a very European product and to the global market we enforce with the airport, city and tourist buses. We are a company with highly trained personnel in the field of automotive industry and as such we are creating successful and recognizable city of Maribor, Drava region and Slovenia in the world.
